Hi Sarah,

We have received a request for a dumpster to be provided to put in dirt. Matthew spoke with her directly but if you would like me to get information I can call her again.

Is this something Sanitation does for the public?

Best,

Myrka Martinez

Hey Myrka,

She wants to ask if sanitation can provide a dumpster for them to put dirt in. She said she used to work for the City and she thinks they do that. Can you check with Sara and follow up with the constituent?

Thanks!
